### Advancement Stuff

Bring the items below if you have them, if not, don't worry

- **DO NOT BRING MATCHES, LIGHTERS, ETC.**

Matches may only be carried and used if a scout has earned his Firem'n Chit. Also, a knife may only be carried and used if a scout has his Totin' Chit (which is not the same as a Whittling Chit). Scouts are asked to bring their knives as we will be working on the Totin' Chit but are not permitted to use them unless instructed to do so by a leader/older scout or have finished the Totin' Chit requirements. We will also be working on the Firem'n Chit, but matches will be provided.

- *Additional equipment lists may be found on pages 202-210 and 224-227 in the Scout Handbook.*
- *We will be working on the Scout and Tenderfoot ranks during this trip so please look at your Scout book and become familiar with the requirements.*
